Yes, I would like to order The Training Book, the handbook for trainers (available in two volumes).

Step-by-step, you'll learn how to focus on learners' needs and exceed their expectations every time, add punch to your presentations, and create truly great training materials.

Through an in-depth review of 67 technical articles that delve into the skills common to successful professional trainers, *The Training Book* quickly and succinctly **explains the steps you must take to become a great trainer.**

Dave Murphy, founder of ITrain, calls these books a "must-read for all IT trainers."
